The Hattiesburg GeoTour is presented by Visi**HATTIESBURG**, in cooperation with Hub City Cachers.

# WHAT IS GEOCACHING?

Geocaching is a global, outdoor treasure hunt using GPS-enabled devices. Millions of containers called “caches” are hidden all over the world that you can navigate to via clues and coordinates on your phone. Caches can be super tiny, like the size of a penny, or large, and hidden in plain sight. **Some will be easy, and some will require an extra step or code to solve.**

## 📍 How it Works

- Visit **Geocaching.com to register**. Basic membership is free.
- **Download the geocaching app** to a smartphone and search for the Hattiesburg GeoTour. (**GT Code: GT4BF**)
- Locate hidden caches on the official Hattiesburg GeoTour. There are 40 total, but **you only need to find 10 for this mini challenge!**
- When you find a cache, sign the log, and **write the codeword on this mini passport.**
- **Record your find** on Geocaching.com or in the app.
- **Return the cache to the same spot you found it**, so the game can continue for the next cacher! Some cachers leave behind small treasures. Feel free to take something from inside the cache or leave your own item.

## 📍 Geocachers Creed

When geocaching, I will:

- Not endanger myself or others.
- Observe all laws and rules of the area.
- Respect property rights.
- Avoid causing disruptions or public alarm.
- Minimize impact on the environment.
- Be considerate of others.
- Protect the integrity of the game.
